July 6, 2010

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AGREEMENT WITH THE STATE OF CALIFORNIA DEPARTMENT OF
CORRECTIONS AND REHABILITATION FOR SECURITY AND MOVEMENT OF
STATE PAROLEES DURING REVOCATION PROCEEDINGS
(FIRST DISTRICT) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) seeks approval of an Agreement with the State of California Department of Corrections and Rehabilitation (CDCR), effective July 1, 2010, through June 30, 2013, with an option to renew for two additional one-year periods. The Department will be fully reimbursed for providing security when parole revocation hearings are conducted in Department jail facilities.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached Resolution (Attachment A) approving and delegating authority to the Sheriff to execute Agreement Number 5600001199 (Agreement - Attachment B) with CDCR, effective July 1, 2010, through June 30, 2013, with an option to renew for two additional one-year periods upon the mutual consent of CDCR and the Department. The maximum contract amount of \$19,468,899 is for the Department to provide movement and security of State parolees during parole revocation hearings in the Department's jail facilities at Men's Central Jail (MCJ) and Pitchess Detention Center (PDC).
2. Delegate authority to the Sheriff to execute the Agreement with CDCR for the Department to provide this service.
3. Authorize the Department to execute any amendments to the Agreement if it is deemed to be in the best interest of the County of Los Angeles (County).

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department requests approval of the Agreement with CDCR to continue to provide security during the movement and processing of State parolees for parole revocation hearings at MCJ and PDC.

Prior to 2005, the Department provided this service by utilizing existing custody personnel whose costs were partially reimbursed by State funding, pursuant to Penal Code Section 4016.5. However, when the State was compelled in January 2005, under the Valdivia v. Schwarzenegger settlement, to provide State parolees with timely parole revocation hearings, the State entered into an Agreement with the County and funded the increases to the enhancements in security and inmate movement as they pertain to the revocation hearings. The current Agreement expires June 30, 2010. The State will continue to finance all parole hearing security and transportation positions under the Agreement, which will include 39 fully funded sworn security positions.

As a result of this Agreement, modifications to Cell 41 at MCJ are required by CDCR. These space refurbishments include the installation of both service and visiting type windows, minor demolition of interior walls and benches, and conversion of an unused x-ray room into support space. The capital project cost is estimated at \$250,000. These costs are included in the State's Fiscal Year (FY) 2010-11 Budget Act. We plan to return to your Board with recommendations to establish a capital project, provide environmental documentation, identify funding, and request approval of the project budget and schedule.

Implementation of Strategic Plan Goals

This Agreement supports the County's Strategic Plan, Goal 1, Operational Effectiveness; and Goal 5, Public Safety, by allowing the Department to continue to work in partnership with the State to efficiently and effectively conduct parole revocation hearings at Department jail facilities.

FISCAL IMPACT/FINANCING

The State's FY 2010-11 Budget Act includes funding to fully reimburse the County for services under the Agreement. The estimated cost of the program during FY 2010-11 is \$6.6 million.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The attached Resolution approves the Agreement and delegates authority to the Sheriff to execute the Agreement on behalf of the County.

With your Board's approval, the Agreement will allow the dedicated custody personnel to provide the level of service required by the State to meet the Valdivia v Schwarzenegger settlement in the County. This Agreement provides for mutual indemnification of the County and the State. The term of the Agreement shall be from July 1, 2010, through June 30, 2013, with an option to renew for two additional one-year periods upon the mutual consent of CDCR and the Department. The maximum contract amount is \$19,468,899. Under the Agreement, either party may terminate the Agreement with a 30-day advance written notice.

The draft Agreement presented to the Department by CDCR in May 2010 had been modified from

the previous version approved by your Board in 2007. As such, additional time was needed by the parties to negotiate and modify certain terms, including but not limited to the indemnification and insurance provisions. During this process, such provisions were reviewed by CEO Risk Management.

The Resolution has been approved as to form by County Counsel. This Agreement has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Agreement is necessary to fund existing personnel for the Department to meet the State's settlement obligations. If your Board does not approve this Agreement, the State may be subject to Federal court penalties and may seek Federal authority to force the Department into compliance without an Agreement in place.

CONCLUSION

Upon conclusion by your Board, please return three originally executed resolutions to the Department's Contract Law Enforcement Bureau for further processing.

Sincerely,

LEROY D. BACA
Sheriff

IV. VALDIVIA REMEDIAL PLAN (VRP)

- In November, 2003, the BPH and CDCR reached a court-approved settlement to resolve a class action lawsuit brought by inmates against the State of California. The suit alleged that the State's parole revocation process violated the inmates' constitutional rights to a timely hearing.
- The settlement, approved and monitored by the U.S. District Court, requires the BPH to administer a Remedial Plan to ensure that parole revocation hearings are conducted within legally established time limits, while preserving the due process rights of inmates.

V. COUNTY RESPONSIBILITIES

Since PAs are peace officers, it is expected that guidelines be established specifying the PA's responsibility pursuant to PC830.5 (a)(5), authorizing PAs to provide mutual aid and assistance to law enforcement personnel under the following conditions:

- a. The PA while performing his/her usual or authorized duties reasonably perceives an imminent life-threatening situation to other law enforcement personnel.
- b. Local law enforcement personnel are observed to exhibit a clear and present need for assistance and the PA is called on for assistance.
- c. PAs should render assistance that is the least endangering to themselves and third parties as circumstances and actual conditions warrant.
- d. PAs shall not exceed the reasonable capability of their current resources in rendering aid to other law enforcement personnel.
- e. PAs are prohibited from responding to routine radio traffic, unless parolees or civil addicts are involved. If a response is necessary concerning a parolee or civil addict, PAs may respond pursuant to current policies and procedures.

LIST OF MODIFICATIONS TO CELL 41

The modification to Cell 41 will require some modifications to serve the minimum needs of the processes mandated by the Valdivia court injunction. The specific changes and their location have been identified in the attached floor plans. The minimum changes are itemized as follows:

1. The removal of existing cupboards and cabinets is required to increase office space and accommodate the serve windows.
2. The removal of a metal broom closet located in the space between the x-ray room and room 41, against the common wall of cell 39 is required to increase and clear space.
3. The removal of remaining X-Ray equipment and lead partition is required to clear space for supervisor and support staff use.
4. The installation of a security gate or wall to separate the entrance to Cell 41 and the hallway area between the Room 41/X-ray room space is necessary to create secure area for supervisor/support staff access from Room 41 to X-Ray room area
5. The installations of interior walls in the X-ray room are necessary to build Supervisor and Support Staff offices.
6. The modification will require the installation of three (3) "Serve Windows" on the wall adjacent to the entry to Room 41. This would require a cut out of this wall for the installation of the "Serve Windows" to security cages. These would be security cages for Custody Control cases and one designed with wider partitions and no metal stool to allow for wheelchair access.
7. There needs to be installation of Four (4) "visiting type" serve windows on the common wall of Cell 39. This will require the cut out of existing wall structure of Cell 39, located inside Room 41 through the wall to Cell 39. These serve windows would each have ; 1) Plexiglas dividers between each other for security and confidentiality issues; 2) a slot for paperwork and communication ports; and 3) metal stools bolted to the floor on each side.
8. The modification will require Installation of data and phone lines. This room currently has active jail data lines so they will not be necessary. The necessary CDCR data lines could be run directly from the Board of Parole Hearings (BPH) hearing areas over the Cell 39 area (Less than 10 foot width) to Room 41 or from the Probable Cause Hearing (PCH) hearing area adjacent to the X-Ray room.
9. Installation of Alarm System (Panic Button) will be required at two locations at the minimum, one in Room 41 and the other in the X-Ray room for staff safety and emergency response.

1. Funding

The funding for services provided under the terms of this Agreement shall be specific to this Agreement, separate from amounts detailed under any other Agreement between the County and the State.

The Authority for the State to obtain funding and enter into this Agreement comes from the Valdivia v. Schwarzenegger, United States District Court Stipulated Order for Permanent Injunctive Relief (Civ. S-94-0671 LKK/GGH) hereafter referred to as the Valdivia Remedial Plan (VRP).

2. Invoicing and Payment

- a. For services satisfactorily rendered, and upon receipt and approval of contractor's invoices, the State agrees to compensate the Contractor in accordance rates specified herein on Exhibit B-1, Rate Sheet, which are attached hereto and made a part of this Agreement.
- b. The County shall sequentially number each monthly invoice. Each invoice shall include the Agreement Number and shall be submitted in triplicate not more frequently than monthly in arrears. Each form must have the original signature of the Facility Commander. The original signed form and two copies of the invoice for VRP services must be sent to:

Board of Parole Hearings
Fiscal Service Liaison Unit
Attn: Invoice Processing
PO Box 4036
Sacramento, CA 95812-4036

3. Budget Contingency Clause

It is mutually agreed that if the California State Budget Act for the current fiscal year and/or any subsequent fiscal years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor, or to furnish any other considerations under this Agreement, and Contractor shall not be obligated to perform any provisions of this Agreement.

If funding for the purposes of this program is reduced or deleted for any fiscal year by the California State Budget Act, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to Contractor to reflect the reduced amount.

4. Prompt Payment Clause

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927. Payment to small/micro businesses shall

be made in accordance with and within the time specified in Chapter 4.5, Government Code 927 et seq.

5. City/County Rate Increase

It is understood that the city/county may regulate some or all of the contractor's rates for services. In the event the city/county increases the rates that directly affect the services provided in this Agreement, the contractor may request from the State an increase in the rates stated in this Agreement. The contractor must submit a written request to the State with a copy of the resolution from the city/county listing the prior rates and new rates and effective date of the new rates.

6. Subcontractors

Nothing contained in this Agreement shall create any contractual relationship between the State and any subcontractors, and no subcontract shall relieve the Contractor of Contractor's responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Contractor. As a result, the State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

7. Advance Payment

Advance Payment for Public Entities

Pursuant to Government Code Section 6504, the Contractor may request an advance payment for the fiscal year(s) covered by this agreement, which shall not exceed twenty-five percent (25%) of the annual project budget for each fiscal year (FY). In order to receive such payment, the Contractor is required to sign and return the "*Acknowledgment of Advance Payment Provisions*" before an advance payment warrant is issued.

The State shall recover one-twelfth (1/12) of the advance payment each month by the reduction of monthly invoices submitted for payment by the Contractor in accordance with the project budget amount for each FY. Invoices submitted for payment by the Contractor, in accordance with the budget proposal, will be reduced by the monthly installment amount. In the event that submitted invoices are less than the monthly installment, the remaining balance will be deducted from subsequent invoices.

In the event the Agreement is canceled by either party, the Contractor agrees to repay the balance of any outstanding payments due the State for advance payments within thirty (30) days after the Agreement is canceled.

1. Contract Disputes with Public Entities (Supersedes provision number 6, Disputes, of Exhibit C)

As a condition precedent to Contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, Contractor agrees that all disputes and/or claims of Contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, Contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

2. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the Contractor in order to carry out this Agreement, shall be protected by the Contractor from unauthorized use and disclosure.

If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the Contractor's possession that is independently developed by the Contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the Contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) without prior written approval from the State.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

3. Accounting Principles

The Contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

4. Taxes

Unless required by law, the State of California is exempt from federal excise taxes.

5. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The parties hereto agree that either party may cancel this Agreement by giving the other party written notice thirty (30) days in advance of the effective date of such cancellation. In the event of such termination, the State agrees to pay Contractor for actual services rendered up to and including the date of termination.

The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

6. Extension of Term

If it is determined to be in the best interest of the State, upon agreement, the State may extend this contract, with no increase in service cost, for a period of one (1) year or less.

7. Contractor Employee Misconduct

During the performance of this Agreement, it shall be the responsibility of the Contractor whenever there is an incident of use of force or allegation(s) of employee misconduct associated with and directly impacting inmate and/or parolee rights, to immediately notify the CDCR of the incident(s), to cause an investigation to be conducted, and to provide CDCR with all relevant information pertaining to the incident(s). All relevant information includes, but is not limited to: a) investigative reports; b) access to inmates/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that inmates and/or parolees are not or have not been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the Contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with inmates and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the

jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

8. Subcontracting

Services provided are to be performed primarily with the staff of the public entity or, in the case of educational institutions, auxiliaries or foundations, by the faculty, staff or students associated with the particular institution. Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement.
